

NNRG Forest Stewardship Council® Certification Annual Renewal Questions

Forest: _____ Date: _____

Please answer the following questions to help complete annual FSC check-in with NNRG:

1. Have there been any changes in property information? (e.g. ownership, easements, current use taxation)

2. Have there been any major changes in your management objectives or management plan? (Please note, management plans must be updated every 10 years.)
 - a. Are you meeting your stated management objectives?

3. Have you conducted a commercial harvest project since the last check-in?
 - a. Please describe timber harvest activity below: volume, species, grade, purchaser
 - b. Please describe the harvest methods, acres treated, stand prescription, and post-harvest activities

Harvest state date: _____ Harvest end date: _____

Harvest prescription:

Acres treated:

Sort	Species	Volume (tons)	Volume (MBF)	Mill	Gross Revenue (optional)	Sold FSC?

4. Have you conducted a pre-commercial thinning since last check-in?
 - a. If so, please describe the stand, acres, and how work was done.

5. Do you have plans for an upcoming harvest?
 - a. If so, when? Methods? Acres? Treatment goals?

6. Have you had any erosion problems? If so, please describe:

7. Have you used any biological control agents, genetically modified organisms, or exotic species in your forest management? If so, please describe:

8. Have you used any pesticides or other chemicals in your forest? If so, please provide the following information:

	Chemical 1	Chemical 2	Chemical 3
Herbicide name			
Quantity used Undiluted volume (<u>required</u>) ----- Diluted volume	-----	-----	-----
Date range of application			
Area treated (estimate of acres, square feet, or spot treatment)			
Location			
Method of application			
Target species			
Observations of effectiveness (post-herbicide monitoring)			

16. In the last year, how much of your production/harvest forest has been regenerated naturally, and how much is regenerated by replanting? (In number of acres; this can be approximate.)
17. Have you had any sightings of rare, threatened, or endangered species?
- Have you done any work to enhance wildlife habitat?
 - Is your forest enrolled in any habitat programs (ODFW, WDFW, USFWS, etc.)? If so, please describe:
18. Do you have old-growth in your forest, or areas that are classified as high conservation value forest (HCVF)? Please describe any changes to old-growth or HCVF since last check in.
19. Describe how you have monitored your forest in the past year and how you are updating your management records.
20. Are you currently enrolled in cost-share programs (NRCS EQIP or CSP, local Conservation District programs)? If so, please describe:
21. Do you need a site visit?
22. Anything else you'd like us to know?
